Dear Jason:

I want to thank you for all your work in helping us to achieve our re-location goals. Thanks to your efforts we were able to be released from our previous lease obligations and get into the space we actually needed. The new space is working out very well.

I appreciate very much the effectiveness of the process you worked with me whereby you listened to what we were looking for, did all of the research and leg work and presented me with the information I needed to make a decision on which spaces we would look at together. Your knowledge of the area and your contacts helped tremendously as well as your thoroughness and highly organized and professional work manner.

Thank you also for negotiating as you did with our new landlord to get us the best deal you could.

I enjoyed working with you.

Please let me know if I can help you in anyway and please stay in touch.

Sincerely,

Ed Eberle  
Chief Operating Officer
