Dear Jason:

I want to take a moment and thank you for all your hard work and diligence in finding us our new office. We have been in our new office approximately 6 months now and things are going well. I know it was a long arduous process with many ups and downs but through your hard work we were able to get into the right space at the right price. Both my father and I greatly appreciate your sticking it out with us through the months of searching and agonizing over the best place for our office. In short, if you ever have any potential clients who are seeking recommendations please do not hesitate to have them contact me at any of my office numbers above. Best of luck in the future.

Sincerely Yours,

Jerome G. Quinn, Jr.
