Dear Jason,

I wanted to drop you a note and let you what a pleasant experience we had, with your help, during our recent office relocation. I have been in the position, over the years, of moving corporate offices in several locations.

Your attention to detail made our move seamless and nearly effortless. I would like to think that we received special treatment, but know that each of your clients welcome the same level of attention as we did.

As our business develops over time, we will likely have the need for additional office and/or warehouse space and plan to utilize your talents in our search.

Thank you, again, for simplifying our challenging undertaking.

Sincerely,

Chris V. Hansen  
General Manager
